Ved gennemsyn af arbejder:
du is har en overvældende produktion
er der kun grund til at bevare de
ting man synes er væsentlige. Men det
kan være problematisk, det man synes er
væsentligt i en periode synes man er uvæ-
sentligt i en anden.

RØDT SKILDERHUS
PÅ BLÅ PLADE

Selv hvor det drojs sig om figu-
-ration ber figureres størrelse
have et forhold til billedfladen
reale (længde- og bredde- og areal-
midterdeling o. s. v.) størrelse.

Proportionerne må ~~ikke~~ ikke være fiktioner
i forhold til den reale billedflade hvori
de befinder sig.

Et Billede er en Beqvæmhed.
